## TAKING THE CLIFTONSTRENGTHS ASSESSMENT

The CliftonStrengths assessment consists of 177 paired descriptors, such as "I read instructions carefully" versus "I like to jump right into things." For each paired set, you have 20 seconds to select the descriptor that fits you best and the extent to which it does so. The average completion time of the assessment is 35 minutes.

NOTE: If you are unable to complete the CliftonStrengths assessment in one sitting, simply sign in to the CliftonStrengths for Students site, and the assessment will automatically resume where you left off.
